2st STAGE K.I.S.A. in FUNCHAL of
KARATEDO SHOTOKAI

Organizator: MURAKAMI – KAN – Funchal – PORTUGAL
Technical Director S. Jorge REIS

Place: FUNCHAL – MADEIRA – PORTUGAL.

Madeira Island lies in the Atlantic Ocean, about 650 km (400 miles) off the coast of Morocco. Although it is small—only about 58 km long by 24 km wide—it is very steep, with mountains over 1,800 meters high. Funchal the Capital is located in an absolutely unique area. The almost amphitheatre' like formation it rests in begins on the beach and rises almost 1200 metres on gentle slopes. This provides a natural shelter and was what attracted the first settlers
